Dear Squash Enthusiast,

1-Day Open Squash Tournaments

We are delighted to invite you to play in our one-day open squash tournaments across Kent, Surrey and Sussex.

You would play competitive squash on a Saturday, Sunday or Public Holiday, and keep the rest of your weekend free.

With four mixed categories - three senior ones, based on players' squash levels, and one for Under 15s – you would play against players of a similar standard. Your squash levels would be updated with the results of your matches.

Different competitions guarantee the players a minimum of three, four or five matches. Entry fees are based on the number of minimum matches and are reduced slightly for juniors.

Our initial tournaments will be held at The Limpsfield Club, near Oxted in Surrey, whilst we secure additional venues. The schedule of Limpsfield tournaments is enclosed.

Should you like to play in one of these or simply register your interest, please email your details to ian.alexander.mcbride@gmail.com.

- First name and surname;
- Email address;
- Mobile number;
- Date of Birth (only Under 15s);
- House postcode (helps us to factor in players' travelling times if possible);
- England Squash Membership Number;
- Any questions; and
- The Limpsfield tournaments which you wish to play in

We very much look forward to welcoming you to our squash tournaments.

Yours sincerely,

Ian
